### Entertainment Programs

#### **Rhythm! Melody! Harmony!**

*Location: Castle Forecourt Stage*

*Duration: Approx. 25 minutes, 2-3 times a day*

“**Rhythm! Melody! Harmony!**” is a live entertainment program based on the three major elements of music – rhythm, melody and harmony. Located in front of Cinderella Castle, the performance area features a 20-meter-long runway stage. By clapping, jumping and shouting out, Guests will be able to become a part of the show.

The show kicks off strong with Mickey Mouse and a cool rock band. The first theme is “Rhythm.” Donald and Goofy also head up a percussion group in a dynamic performance, with Chip ’n Dale and other Disney friends also making appearances to a variety of different rhythms. The Guests join in, filling the venue with intense rhythm.

With the next theme, “Melody,” the music becomes stylish and sophisticated. Minnie Mouse, Daisy Duck and Clarice come on stage with female violinists, and they perform a medley of Disney music in modern arrangements. A female brass band then joins in, creating a powerful performance, further heating up the crowd.

The finale theme of “Harmony” brings together the “Rhythm” and “Melody” of the previous performances. After Mickey comes back on stage, performers from the “Rhythm” and “Melody” segments dressed in costumes of different colors all join in, making the stage as colorful as a rainbow. With the exciting music, Guests and performers become one, bringing the show to its climax.

Note: The entire viewing area will be for standing only (no seating available).

Admission to the viewing area will be on a “first come, first served” basis. However, a portion of the viewing area in front of Cinderella Castle will require admission tickets (complimentary). Tickets will only be available through a lottery that takes place at Tomorrowland Hall.
